following review helpful. Exactly what I wanted!By Una poetisaI ordered these as inexpensive supplements to my Christmas card supply. They're charming depictions of Victorian style Yuletides. Great to send to youngsters on my list.

Nothing says "Merry Christmas" like greetings from Santa Claus! These antique cards, most of them dating from the turn of the twentieth century, offer a unique and jolly way to extend best holiday wishes. They're also a colorful and inexpensive complement to scrapbooking and crafts projects.
