From Dover Publications : Old-Time Advertising Cards: 24 Full-Color Cards (Dover Postcards) before purchasing it in order to gage whether or not it would be worth my time, and all praised Old-Time Advertising Cards: 24 Full-Color Cards (Dover Postcards):

On the backside they have the source for the advertisement smack dab in the middle of the postcard, but the font is small so writing over the source line is still legible. These are just great! Love the vintage advertisements with the slogans. A great purchase!2 of 2 people found the following review helpful. Exquisite cards!! full of life!!By M.
