(Free read ebook) On Parchment, Paper and Palm Leaves... Treasures of the Royal Library of Denmark

## **On Parchment, Paper and Palm Leaves... Treasures of the Royal Library of Denmark**

**From Museum Tusulanum Press : On Parchment, Paper and Palm Leaves... Treasures of the Royal Library of Denmark** before purchasing it in order to gage whether or not it would be worth my time, and all praised On Parchment, Paper and Palm Leaves... Treasures of the Royal Library of Denmark:

This volume presents in pictures and words the cultural heritage, national as well as international, administered by the Royal Library in Denmark. It outlines in detail the origin and growth of the collections from before the time of Frederik III, leading the reader through the collections, its themes and highlights, from Western Manuscripts before c. 1530to printed books and pictures in the period 1450-1830. Showcased highlights include maps and atlases; Greenlandica; Americana; Orientalia; Hebraica and judaica; pictures in the print and photograph collection; the music collection; and bookbindings.

About the AuthorHarald Ilse is a senior researcher and historian at the Royal Library, Copenhagen.
