[E-BOOK] Our Colorado

Our Colorado

Jonathan C. Leacock : Our Colorado before purchasing it in order to gage whether or not it would be worth my time, and all praised Our Colorado:

Colorado is a state of unsurpassed majesty and scenic splendor--a state so diverse, so rugged, and so resource-rich that in the 141 years since its founding, it has attracted dreamers and schemes of all types. Reflecting this diversity, "Our Colorado is a rich visual tribute to the state, including such popular sites as Rocky Mountain National Park, the San Juan Mountains, Colorado National Monument, and Mesa Verde, as well as the cities of Denver and Boulder. Both residents and visitors will be drawn to this elegant volume. "Our Colorado celebrates the beauty, majesty, and intimacy of the Colorado landscape through the lens of a local resident whose love for the state is evident on every page.
