Our Washington, D.C.

Paul M. Franklin : Our Washington, D.C. before purchasing it in order to gage whether or not it would be worth my time, and all praised Our Washington, D.C.:

0 of 0 people found the following review helpful. Very InformativeBy CustomerA great book to review BEFORE your visit to Washington D.C. Best if read in hard copy or color capable e-reader device. I have a basic Kindle, black white, and found it difficult to see the pictures.0 of 0 people found the following review helpful. Our capitalBy MerriMy son went to Washington DC last summer, but he did not purchase anything because of room. When he got back, he picked out this book for his memories. He loves it.1 of 1 people found the following review helpful. beautifulBy KDCI bought this for my dd 13 to take on a trip to DC she totally enjoyed the beautiful photos and it helped her recognize each place as they approached it.

Our nations capital is truly a distinctive setting, with historical and cultural sites around just about every corner. "Our

Washington, D.C." is a pictorial celebration showcasing the areas stunning monuments and scenes, offering a glimpse into what makes this city so unique--from the historic homes, trendy neighborhoods, and diverse special events and festivals to the people who live and work in the capital city. Such locales as the Washington Monument, the U.S. Holocaust Memorial Museum, the Vietnam Veterans Memorial, the U.S. Capitol building, the White House(including rare interior photos), Arlington National Cemetery, the National Zoo, the Smithsonian Institution, the National Arboretum, the Spy Museum, Mt. Vernon, and the Potomac River are brought to life in "Our Washington, D.C." Featuring the striking photography of Paul M. Franklin, historical images, and detailed captions that capture the essence of Washington, D.C., this is a fabulous presentation of the area that is both our past and our future.

About the Author Paul Franklin is a travel photographer and writer whose work has appeared in numerous national publications, including Yankee, WoodenBoat, Travel America, Coast to Coast, Harrowsmith, and others. Paul also photographed Voyageur Press's 2019 Our Washington, D.C. and The Barnes and Noble Complete Guide to the Public Parks and Gardens of Washington, D.C. He has authored numerous books, including the Eyewitness Travel Guides Canada and Southwest USA Las Vegas, and the AAA Spiral Guide to Washington, D.C. He collaborated with Nancy Mikula on South Carolina's Plantations and Historic Homes for Voyageur Press. He is a member of the American Society of Media Photographers and the American Society of Travel Writers.
