Patriotic Art Tattoos (Dover Tattoos)

Marty Noble : Patriotic Art Tattoos (Dover Tattoos) before purchasing it in order to gage whether or not it would be worth my time, and all praised Patriotic Art Tattoos (Dover Tattoos):

First I was surprised there were only 4 tattoos included, I thought there would have been a few more. But four would have been okay if they worked. I think they were old stock, because no matter how I tried (I only had four chances) the tattoo would rip or stick to the paper. I was very disappointed in this product and would recommend you buy something else.

Colorful miniatures of 4 famous placards from World Wars I and II, among them the unforgettable portrait of Uncle Sam declaring "I Want YOU for U.S. Army."
