[E-BOOK] Penang 500 Early Postcards

## Penang 500 Early Postcards

**Jin Seng Cheah : Penang 500 Early Postcards** before purchasing it in order to gage whether or not it would be worth my time, and all praised Penang 500 Early Postcards:

By the late 19th century, Penang had become a thriving port trading in rubber, spices and tin. Its prosperity attracted immigrants from around the world and the island was a rich melting pot of Chinese, Indians, Malays, Europeans and many other peoples. The postcards reproduced in this book are drawn from the huge collection of Penang-born Professor Cheah Jin Seng, the author of Singapore: 500 Early Postcards, Malaya: 500 Early Postcards, Perak: 300 Early Postcards and Selangor: 300 Early Postcards. This title in the Early Postcards series will present a diverse array of picture postcards of Penang -- including of its capital George Town, now a World Heritage site -- from the 1890s to the 1970s.
