Brown These dolls are another great set I added to my collection. They not only represent popular Peter Pan characters, but with steampunk outfits. It also includes the white rabbit, what fun!! Would recommend not only to kids but all adults like myself. 1 of 1 people found the following review helpful. Love it! By Kindle Customer Charlotte Whatley is a fun, creative artist and I really enjoy her adaption of Peter Pan. My favorite doll is Tiger Lily, she looks so cool. Captain Hook is pretty great too.

Here's Peter Pan as you've never seen him before! J. M. Barrie's immortal hero takes on a steampunk attitude in a dashing combination of Victorian and sci-fi styles. This unique interpretation of the beloved storybook character also features vibrant paper doll versions of Wendy, Tinker Bell, Captain Hook, the Lost Boys, and other characters from the adventure classic. Each doll comes with a variety of stylized outfits.
