(Ebook pdf) Pewter Wares from Sheffield

Pewter Wares from Sheffield

Jack L. Scott : Pewter Wares from Sheffield before purchasing it in order to gage whether or not it would be worth my time, and all praised Pewter Wares from Sheffield:

2 of 2 people found the following review helpful. EVERYTHING I WANTED TO KNOW ABOUT JAMES DIXON! By A Customer This is the most helpful, informative book on pewter, I have. Extremely thorough on all sheffield pieces and makers, but I especially enjoy the history of James Dixon. Being a collector of his work, this book has allowed me to date every piece I own. It was well written and well organized. I would highly recommend this book to EVERYONE interested in collecting James Dixon pewter or Sheffield pewter. 1 of 1 people found the following review helpful. Terrific reference guide for pewter By Robyn S. I am a pewter collector and dealer and have appreciated this book for all of its information and history of Sheffield pewter. I have been able to date many of my pieces and learned so much about the pewterers of Sheffield. Wonderful reference material and great history of marks.

Reference on antique English pewter wares made in the city of Sheffield, England from 1769 to the late 20th century. 340 illustrations, 500 makers and marks identified, biographical information, complete chapter on James Dixon, etc.

"May become the definitive work on English pewter ware produced in Sheffield -- Baltimore Evening Sun Mar. 5, 1981....Here is a volume with accurate information.....a thorough reference for both serious collectors and those needing an accurate picture of the industry itself.....would be a major addition to any reference library -- Antique Monthly June 1981Pewter Wares From Sheffield is thoroughly impressive as a reference book..... the volume is well illustrated, including color plates..... for the serious collector, this is a book not to pass up -- Antiques Journal Apr. 1981About the AuthorJack L. Scott earned his Ph.D at the University of Sheffield. The author is a frequent contributor to magazines and journals related to antiques and is often called upon to provide loan exhibits and lectures.
