This book is super-small but has some nice candid and intimate shots. After reading the 2 biographies of Isabella I needed more, and this rounded out my experience of delving into the high fashion life of Isabella Blow.7 of 7 people found the following review helpful. Fashionable ReadBy alicearI bought this as a gift for a friend and am having a hard time giving it up. Philip and Isabella make an intriguing fashion duo. His natural talent and her eye for style make this book worth it, add it to your collection. Great fashion photos and illustration. I love it!P.S. I am sending it to my friend, she worked for him in London!5 of 5 people found the following review helpful.

Absolutely worth the moneyBy Tatiana SometimesThis is a lovely book, but they all are from this range. If you love hats, or just fashion you won't regret buying it!

This book explores the collaboration between Philip Treacy and Isabella Blow through thirty of his hats for her and includes photographs by Steven Meisel, David LaChapelle, Juergen Teller, Donald McPherson and Marlo Testino, among others, of Blow wearing Treacy's hats.

About the AuthorPhilip Treacy studied fashion design in Dublin before winning a place at the Royal College of Art. In addition to running his own successful hat business, he has made Haute-Couture Hats for such fashion houses as Chanel, Valentino, Gianni Versace and Alexander McQueen; Isabella Blow is one of the world's most influential Creative Directors. She has worked for magazines including American Vogue, Visionaire, The Face and Italian Vogue. She played an important part in nurturing the careers of many designers, including Alexander McQueen and Philip Treacy.
