George Johnson : Pictorial Guide To Christmas Ornaments Collectibles, Identification and Values before purchasing it in order to gage whether or not it would be worth my time, and all praised Pictorial Guide To Christmas Ornaments Collectibles, Identification and Values:

0 of 0 people found the following review helpful. A Hit with My Wife!By CustomerMy wife has enjoyed looking through this book and has spent a lot of time looking at it.2 of 2 people found the following review helpful. Excellent Guide to Christmas Orn. Collectibles!By LouieGeorge Johnson does a wonderful job of showing old ornaments and collectibles in this book. I like that the book give sizes of the ornaments. Of course the values of the christmas items are now different as this book was printed in 2004. But the pictures are just what I needed and just wonderfully done.0 of 0 people found the following review helpful. Pictorial guide to Christmas Ornaments Collectibles Identification and

valuesBy dragonetteAs a collector of this and that and a love of many things Christmas this was inevitable that I would head in this direction. I found this book very information and covers a wide range of Christmas items, some of which I hadn't even considered, so now all I need is to actually find some of said items, The hunt is part of the enjoyment and now I know what could be out there

This easy to use, new pictorial Christmas ornament guide will be the ideal book to take on trips to antique stores and flea markets. The captions of the almost 2,000 color photographs include the title of the piece, size variations, where made, reproduction information, rarity rating, and current collector value. A brief introduction, history, and collector notes are included. Glass ornaments of all types are featured: animals, beads, Santas, trees, buildings, crosses, food, patriotic items, and much more. There are not only fabric ornaments, but wax, metal, Sebnitz, and others. There are also many miscellaneous Christmas collectibles featured, including lighting, candy containers, plaques, dolls, and other figures and decorations. 2010 values.

George Johnson's book on Christmas ornaments adds a nice touch to any collector's bookshelf. This new volume is largely about glass ornaments and happily includes a wide range of them. Other chapters deal with Dresden ornaments, plus paper, wax, fabric, metal, and plastic decorations. Additionally there are sections on electric lighting, tree tops, and stands. Altogether there are nearly 2,000 full color photos with descriptions and values. About the Author George W. Johnson has been collecting antique Christmas decorations for over 30 years, and is a member of the Golden Glow of Christmas Past, a club for enthusiasts of Christmas memorabilia. He is an elementary and middle school teacher who specializes in working with talented and gifted students in Southern Local Schools near Logan, Ohio.
