Rather than a simple collection of Maly Siri's wonderful pinup girl art, it is a full fledged exploration of her creativity, inspiration, and vision. It gives insight into the pinup world and quite honestly, despite a fascination with pinup art that has lasted me a lifetime, gave me a few new perspectives to consider.The quality of the book itself is top notch and leaves absolutely nothing to be desired. It is beautiful and artful. It is a two sided book and within the pages are two different themes. One side of the book gives you a study on "good girl" pinups. The "Gil Elvgrinesque" girls - pretty innocent but inadvertently giving a peek of stocking garter due to some mishap. The opposite side, or what is actually the second book, focuses on the "bad girls". The girl who wields her

beauty and sexual energy like a power and is comfortable being herself, unleashed by convention or societal norms. I have to admit this cover is my favorite of the two but not necessarily any better. I just prefer the design. I assure any other buyer that this book is well worth your time and you will enjoy the experience of reading it greatly. 0 of 0 people found the following review helpful. Love this book! By Mike I got it as a present, I really don't read the book as it has more drawings than reading, which is great because I wanted for that! Great pinup art

A look back at vintage magazines and an invitation to enter the spellbinding world of luscious pin-up models. IMAGINED BY MALY SIRI, THIS COFFEE TABLE BOOK IS A REMINDER OF VINTAGE MAGAZINES AND AN INVITATION TO ENTER THE SPELLBINDING WORLD OF PIN-UPS Maly Siri's Pin-up Art Good Girls / Bad Girls raises two themes: - On one side, the Good Girls: the damsels with soft skin powdering their faces in front of the mirror, the Tahitian girls with enchanting smiles and the brave soldiers... Their charm is due to their sparkling characters and apparent candour. - And on the other side, the Bad Girls: the rouged vamps with sensuous looks, the spies, the melancholic blues singers and other mis ts... The fact that they are aware of their charms makes them even more dangerous... This book is a rich and delicious homage inspired by the iconography of the 1930s to 50s, a concentrate of pure glamour, with a preface by Chantal Thomass.

About the Author Maly Siri is a painter and an illustrator. She was born in France in 1985. After graduating from the École Supérieure des Beaux-Arts de Lyon in 2006, she published comics and illustrations for Akileos, Dupuis, Le Lombard (French publishing houses). Touched by aesthetics and elegance of a universe that has been polished by the patina of time, Maly found herself in a pictorial genre in harmony with her tastes and passions: the pin-up girl. In 2009, she moved in Montreal, where her international "pin-up artist" career took off: as requested by the British high fashion house Vivienne Westwood, she designs, in 2010, the muse of perfume Naughty Alice. Then the brand Playboy offers her to give life to two new muses for Play It Pin-up and perfume Play It Sexy, respectively in 2013 and 2014. In this book, she pays tribute to two of her models: Bettie Page and Dita Von Teese
