## **Piranhas Like S'mores**

**JZ Bingham : Piranhas Like S'mores** before purchasing it in order to gage whether or not it would be worth my time, and all praised Piranhas Like S'mores:

Hailed by Foreword Reviews for its authentic preteen voice and relatable social and family issues, Piranhas Like S'mores will resonate with boys and girls going through adolescence. A unique story, set against the backdrop of a particularly posh Manhattan apartment, three New York kids make an ambitious science fair project happen, and

acquire deadly piranhas in the process. Throughout this comic tale, serious turns introduce a myriad of conflicts and resolutions, leading to a memorable ending with a classic life lesson.
