Playtime Pottery and Porcelain from Europe and Asia (Ct Asian Language Series)

Lorraine Punchard : Playtime Pottery and Porcelain from Europe and Asia (Ct Asian Language Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Playtime Pottery and Porcelain from Europe and Asia (Ct Asian Language Series):

4 of 4 people found the following review helpful. Chock full of color photosBy PitterWhat a wonderful resource. Copyright 1996, this excellent review of children's pottery and porcelain concentrated on the United Kingdom, with a nod to the United States at the end. Chock full of close up color photographs, this is an outstanding reference work and identification guide. I learned a great deal from the text, as well. Highly recommended.0 of 0 people found the following review helpful. Excellent general introductionBy giThis book includes wide range of the subject, shows complete sets, lists dimensions. Good photography, good introduction. Fine book. Recommend.

This book and its companion work *Playtime Pottery and Porcelain* from the United Kingdom and the United States together become the most comprehensive work on identifying children's play dishes. Over 800 color photographs, trademarks, and company markings accompany descriptions of tea sets, dinner sets, and other play dishes. With 24 countries represented and items ranging from 1770 to the present, you will be able to identify, date, and price children's play dishes.

About the Author Lorraine Punched is a devoted collector of play dishes who wrote this work because she could not find the reference she wanted. She lives now in Minnesota.
