(Download pdf) Pocket Watches: L'Orologio da Tasca (The Bella Cosa Library) (English and Italian Edition)

## **Pocket Watches: L'Orologio da Tasca (The Bella Cosa Library) (English and Italian Edition)**

**Leonardo Leonardi, Gabriele Ribolini : Pocket Watches: L'Orologio da Tasca (The Bella Cosa Library) (English and Italian Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pocket Watches: L'Orologio da Tasca (The Bella Cosa Library) (English and Italian Edition):

3 of 4 people found the following review helpful. Captivating and inspiringBy Larry BenjaminA beautifully photographed collection of pocket watches, from very old "oignons" to verge fusee and more modern examples. There's probably a metaphor in the contrast between the highly accurate models with plain exteriors, and the ones where the maker put all the expense into the case and dial but stinted on the internal mechanism. This book would probably not be of interest to the serious collector or historian as it is by no means exhaustive.

Pocket Watches: L'Orologio da Tasca (The Bella Cosa Library) (English and Italian Edition)139 pp. "...presents the glorious gallery of over sixty finely crafted pocket watches. Highlighting 200 years of exquisite craftsmanship, this

exceptional volume features wondrous timepieces by such world-renowned watchmakers as Vacheron, Piaget, and Rolex. Beautifully photographed, these rare and valuable pocket watches are miniature works of art and will enthrall collectors and designers alike." Text in English and Italian.
