Great product for the price and definitely has some weight to it. I've never had a real chef product, but it cut through my pork chops like butter and potatoes too. Nice packaging also.10 of 14 people found the following review helpful. Loved ItBy A CustomerThis is a great book if you have just started out on playing pokemon the card game. It has great info on all the information you need. You think Charizard is the best card? Read this book and find out who is.

This complete and colorful guide to the hottest new card-collecting phenomenon profiles all the American card sets, along with information on the Japanese sets. Collectors gets helpful introductory information, including the history of Pokemon, as well as tips on collecting and trading. Includes price values for each card and a handy checklist to keep track of one's personal collection.
