Pop Culture With Character: A Look Inside Geppis Entertainment Museum

Dr. Arnold T. Blumberg : Pop Culture With Character: A Look Inside Geppis Entertainment Museum before purchasing it in order to gage whether or not it would be worth my time, and all praised Pop Culture With Character: A Look Inside Geppis Entertainment Museum:

0 of 0 people found the following review helpful. Great for collector and scholars of comic-book, toys, movies and TV shows!By Oscar A. Islas YepezThis book contains beautiful pictures of the Geppi's Entertainment Museum collection, and although there are not large explanations, pop cultural icons are easily recognizable and it will take you down memory lane in a trip sure to warm your heart with nice memories of your childhood or even yearning for a time you didn't get to know, from the late 19th Century to the present.A great illustrated reference for collectors, scholars and enthusiasts of all ages of comic-books, toys, movies and TV shows!

From the Brownies and the Yellow Kid to Spider-Man and SpongeBob SquarePants and everything in between, Geppi's Entertainment Museum offers an unprecedented look back at over two centuries of American pop culture through the characters and personalities we have grown to love. Now for the first time, this special publication gives readers a chance to take a part of the museum home to relive memories of childhood, rediscover old friends, meet new one and enhance the understanding of the ways in which these pop culture icons helped shape us as a nation and as people. With hundreds of full-color illustrations of cherished collectibles in the museum collection and with text that not only tells the story of the museum exhibit but throws the spotlight on a wide range of characters that typified every era, *Pop Culture with Character: A Look Inside Geppi's Entertainment Museum* is your road map to this 230-year-long journey through print, radio, film, television, video games, the internet and beyond.
