Royal Bayreuth porcelain's whimsical shapes and elegant tableware have delighted collectors for decades. Produced in Tettau, Bavaria, for over 200 years, Royal Bayreuth found the global market early and today there are collectors worldwide. With over 500 beautiful and detailed color photographs, the book is visual feast, displaying the

Strawberry, Tomato, and Lobster lines, as well as other figural pottery motifs. Also well-represented are the Tapestry lines and scenics in various forms of table and boudoir pieces. Each photo has a concise caption and a current value.
