A very nice history about a very good car companyBy Harvey ManteufelA very nice history about a very good car company. Easy reading, not a stats book but full of history and excellent photographs!

No other sports car has had a run like Porsches, on the street or on the worlds racetracks. This richly illustrated volume tells the story of that fabled marque. Renowned automotive writer and photographer (and Porsche aficionado) Randy Leffingwell focuses his lens on each important model from the first 356 to todays Cayman and 911. His pictures, in-depth analyses of each car and its context, and interviews with key personnel comprise a complete, compelling, and often revealing history of the worlds premier name in sports cars.

"... this softbound, updated verion is a budget-priced gem for hardcore Porschephiles and newbies alike.. captures the marque's defining principles in an interesting way." -AutoWeek
