Postal Markings of Mandate Palestine, 1917-48

Michael M. Sacher : Postal Markings of Mandate Palestine, 1917-48 before purchasing it in order to gage whether or not it would be worth my time, and all praised Postal Markings of Mandate Palestine, 1917-48:

The Postal Markings of Mandate Palestine 1917-1948, by Michael Sacher, FRPSL. This study presents all of the known postmarks and postal markings which were used from the occupation of Jerusalem by the Egyptian Expreditionary Force in December 1917 until the end of the British Mandate in 1948. Each marking is illustrated wherever possible with a photocopy of the original. The data tables include additional information which should ease identification of specific markings. The work is divided into sections which together form a picture of the operation of the Postal Administration throughout the British Period. Several maps and 48 plates are included. Published by The Royal Philatelic Society London in 1995, 522 pages, hardbound with dust jacket, new. Size: 8" x 12".
