From Brand: Separate Cinema : 'Poster Price Almanac : 'Almanac of Movie Poster Prices' before purchasing it in order to gage whether or not it would be worth my time, and all praised 'Poster Price Almanac : 'Almanac of Movie Poster Prices':

7 of 7 people found the following review helpful. A extremely reliable price guide.By Gregg L. DeeringThis is the best price guide for anyone interested in the real world prices of almost any movie poster they could be interested in. The prices in the guide are actual realized auction prices not guesses. I collect posters and I find I use this and the previous guides frequently.
