## **Poster Style (Rennert Poster Auction Reference Library)**

**From Brand: Poster Auctions Intl Inc : Poster Style (Rennert Poster Auction Reference Library)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Poster Style (Rennert Poster Auction Reference Library):

2004, oversize hardcover edition, Poster Auctions Intl., NY. 594 items for sale at auction, described in some detail. Printed on the finest coated stock. Full-color reproductions throughout. This auction took place in May 2004. This catalog is simply splendid, luminous. Great reference work for those interested in: American show posters / circus posters / minstrel posters / magic and theatrical posters / Olympic posters / international posters / and more

About the Author Jack Rennert has been dealing in posters for over forty years. During this time, he has written a dozen monographs, arranged museum tours, given lectures, and done television guest spots on the topic of poster art. Rennert also established two successful companies: Posters Please, Inc. and Poster Auctions International. At Poster Auctions International, the world's first company to specialize exclusively in poster auctions, he became the world's first specialized poster auctioneer.
