Precious Moments by Enesco Collector's Value Guide 1999: Secondary Market Price Guide Collector Handbook

CheckerBee Publishing : Precious Moments by Enesco Collector's Value Guide 1999: Secondary Market Price Guide Collector Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised Precious Moments by Enesco Collector's Value Guide 1999: Secondary Market Price Guide Collector Handbook:

0 of 0 people found the following review helpful. Five StarsBy Teresa F. WardAs Described.21 of 21 people found the following review helpful. Highly Recommended, Easy to Use!By Carla TThis is a must for collectors! Each page presents 10 figurines (ornaments, tender tails, etc)in color with a full description of Issue Dates, retired dates, original retail price, figurine number, and how much it is worth according to the symbol. Also on the bottom of each page is a slot to pencil in how much your PM is worth and the price you paid for it. At the end of the book, there is a portion dedicated to calculate the total worth of your collection. The first portion of the book has a history of PM and a listing of the most valuable figurines. It also states how to take care of them, etc. The best feature is the indexes. You can search by the title or the stock number (which is on the bottom of the figurine). This book can be helpful if you purchase PM over an on-line auction. You can find out how much the figurine is worth before placing a bid. It has saved me money!6 of 7 people found the following review helpful. Must Have for Precisiouse Precious MomentsBy AgnessaBeautiful book with a lot of helpful information. Authors obviously spent long time researching Precious Moments. Many pictures and good descriptions will help novice and advance collectors.
