Presidential Dollars Collector's Folder, Volume Two: Philadelphia and Denver Mint Collection

From Brand: Whitman Publishing : Presidential Dollars Collector's Folder, Volume Two: Philadelphia and Denver Mint Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised Presidential Dollars Collector's Folder, Volume Two: Philadelphia and Denver Mint Collection:

1 of 1 people found the following review helpful. A very nice product.By Jeremy PedneauThis book is good for those who want to separate both mints out. I also like the fact that they tell basic facts about each of the presidents. I think that this book is acceptable, if not better, for starters as well as more advanced collectors who don't want anything too fancy such as myself.0 of 0 people found the following review helpful. It is difficult to place the coins in the circular ...By L.D.AIt is difficult to place the coins in the circular spots that are provided for them. You literally have to push down hard and it causes the folder to bend. Even then I still had difficulty getting the coins to remain in their circular spots.

Presidential Folder 4 Panel - Volume II Holds PD Mint Marks. In December 2005, Congress approved the creation of a new dollar coinage, known as Presidential dollars, and President George W. Bush signed the legislation into law shortly afterward. During each year from 2007 to 2016, four different dollar designs, each bearing the image of a different president, are being released. Living presidents, both current and former, are excluded from the programthus the roster of presidential honorees currently stands at 37. For these presidents, 38 coins are planned; this is because Grover Cleveland, who to date is the only president to serve multiple nonconsecutive terms, will be represented with two coins. The Presidential dollars are part of the Golden Dollar Program and retain the same golden color as the Sacagawea dollars. The motto IN GOD WE TRUST appears in edge letteringa first for a U.S. coin, as the motto has never before appeared on the rim.
