Prinz Eugen: Story of 7 Freiwilligen Gebirgs Division 1942 - 1945 (Green Series)

Bohumir Kudlicka, Radoslaw Szewczyk : Prinz Eugen: Story of 7 Freiwilligen Gebirgs Division 1942 - 1945 (Green Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Prinz Eugen: Story of 7 Freiwilligen Gebirgs Division 1942 - 1945 (Green Series):

0 of 0 people found the following review helpful. A quality 208 page book about a familiar but not well known SS division. By Keith Bickel The book starts with the situation in 1941 Yugoslavia, some background on partisan units, tactics, to the creation of the division in early 1942, through the structure training until the unit's first combat in 10-42. The chapters are then organized by operation until the end of hostilities in May 1945 with a chapter on war crimes a short Conclusion. Table of Contents, Introduction, Appendices, a Bibliography complete the book. Good paper, nicely

laid out, with good reproduction of the c. 375 mostly unpublished photos. There are well done color plates by Thierry Vallet throughout with corresponding pictures of the real vehicle same page or close-by. The numerous maps are good to see movement, but could be a bit larger IMO. 0 of 0 people found the following review helpful. Details By Jim Carone--Capt.HB- no dj//8 1/2 x 12"//208 glossy pages//367 BW photos//18 color profiles//10 data charts//10 color maps// A lot packed in here. Hope this helps., cap 5 of 5 people found the following review helpful. Five Stars By Beetle101 More books of this quality needed.

The 7th SS Volunteer Mountain Division Prinz Eugen was a German mountain infantry division of the Waffen-SS, the armed wing of the German Nazi Party that served alongside but was never formally part of the Wehrmacht during World War II. Formed in 1941 from Volksdeutsche (ethnic German) volunteers and conscripts from the Banat, Independent State of Croatia (NDH), Hungary and Romania, it fought a counter-insurgency campaign against communist-led Yugoslav Partisan resistance forces in the Territory of the Military Commander in Serbia, NDH and Montenegro. It was given the title Prinz Eugen after Prince Eugene of Savoy, an outstanding military leader of the Habsburg Empire who liberated the Banat and Belgrade from the Ottoman Empire in the Austro-Turkish War of 1716/1718. It was initially named the SS-Freiwilligen-Division Prinz Eugen (SS-Volunteer Division Prinz Eugen). This lavishly illustrated book tells the story of this unit and its operations. Many previously unpublished photos are included, and maps of the operational areas. Essential reading for armor enthusiasts, WW2 military enthusiasts and modelers.
