[Download ebook] Provenance: Tales from a Bookshop

## **Provenance: Tales from a Bookshop**

**Anne M Scriven : Provenance: Tales from a Bookshop** before purchasing it in order to gage whether or not it would be worth my time, and all praised Provenance: Tales from a Bookshop:

2 of 2 people found the following review helpful. I loved, LOVED this bookBy Clare C. MarcusI loved, LOVED this book! Heart-warming, poignant, funny (true) stories about the varied characters who come into a second hand bookshop in a Scottish city. Some come looking for books, some to hang out, some just for a free cup of tea. Beautifully written, with the added interest of many Scottish words which - if you can't figure them out - are translated in a glossary at the end of the book. I wanted to give this book to every bookshop in my town, telling them: "If you only offered free tea or coffee and comfortable places to sit down, you'd have a lot more customers and at least some

of them would buy a book". For lovers of books and bookshops - HIGHLY recommended!

Located in an old west of Scotland town, hanging on to its once proud identity with its fingertips, 'Cloisters Bookshop' functions as an oasis of culture and quirky authenticity. The glorious gallimaufry of scenes, sketches and stories assembled here arise from, and are shaped by, the bookshop's valiant setting and rich characters. Differing thus from other contributors to the genre, this will make you both smile and sigh and ultimately dissuade you of the belief that it is only bookselling that goes on in a bookshop.

'A vivid and entertaining tour of the eccentric customers - and staff - of Scotlands most beguiling bookshop. Margaret Elphinstone  
About the Author Anne M Scriven is a writer, private tutor, former academic and survivor of the secondhand book trade. This is her second foray into the minefield of life writing.
