[Get free] Quilts 1700-2010: Hidden Histories, Untold Stories

## **Quilts 1700-2010: Hidden Histories, Untold Stories**

**Sue Prichard : Quilts 1700-2010: Hidden Histories, Untold Stories** before purchasing it in order to gage whether or not it would be worth my time, and all praised Quilts 1700-2010: Hidden Histories, Untold Stories:

13 of 19 people found the following review helpful. Quilts 1700-201By C. WilcoxThis is truly a beautiful book. It describes not only the quilts in the current VA Museum in London, but also gives some history of quilt making in the UK.12 of 17 people found the following review helpful. Quilts 1710-2010:Hidden Histories,Untold StoriesBy Quilt LadyWonderful book; one of a kind exhibit. Sue Pritchard has mounted a landmark exhibition, and this catalog is the next best thing to seeing it in person!

Quilts evoke the past they stimulate our earliest memories of security and comfort and resonate with historical and cultural references. For the first time, the VA showcases its extensive patchwork and quilt collection in one sumptuously illustrated publication. Major essays by leading textile and quilt historians document the fascinating history of British patchwork and quilting, while individual case studies focus on particularly complex or extraordinary pieces within the collection. Primary sources such as inventories, diaries, letters, and pieces from both private and public collections offer opportunities to reinterpret the personal narratives that document life cycle events

such as marriage, childbirth, love, and loss. This book offers a unique opportunity to discover one of the VAs most hidden collections.

About the Author Sue Prichard is editor and lead curator of *Quilts 1700-2010* (2010). She is Curator of Contemporary Textiles at the VA. Recent publications include *VA Pattern: The Fifties* and *British Textile Design: The Search for a New Aesthetic in Henry Moore Textiles*.
