This an exhaustively researched and well put together guide of the original run of A Real American Hero toyline. Pictures are here for every single release of figures, including variants and mail-away versions. The vehicle section is the real win here with a full rundown of action features and lists of parts, including pictures of all of the easily lost "removeable" parts. The only "downside" to the book is the price guide that is not representative of current prices, but author Mark Bellomo addressees theses

possible inconsistencies in the opening of the book. If you are interested in classic "Joe" then this is a must own. 0 of 0 people found the following review helpful. Excellent Resource - Poor Kindle Image Quality  
By Arch Stanton  
Outstanding and extremely thorough book. Covers all the figures and vehicles, common "look outs" and problems, and even the marketing ephemera from the various different years. The pricing info could stand an update, but still serves as an excellent index of relative values. One glaring issue - The book is filled with excellent photos of the parts, figures, and accessories. However, much of the image quality was lost in the transfer to the kindle e-book. Many times I tried to zoom in on a photo of various small parts and wasn't able to do so due to blocky and lo-res image capture. You won't even notice it if you just read the book normally, but if you're holding one of many similar looking parts in your hand and want to compare it to an image in the guide, you may be out of luck. I believe this concern would apply to the kindle e-book only. 0 of 0 people found the following review helpful. EXCELEVT GUIDE  
By FRANCISCO CARDENAS  
Great book for the collector. Arrived in time and in great shape. Must have for any Gi Joe fan.

This guide to the guts-and-glory of G.I. Joe identifies every figure with all its weapons and gear, every vehicle with all the easy-to-lose pieces and every accessory related to Hasbros stellar team of soldiers. Use The Ultimate Guide to G.I. Joe to expand your knowledge about Joe and the team, or Cobra and his cronies, and to identify and assess the value of any of the series 350 action figures and 240 vehicles and accessories.
