The War on Gold

Antony Sutton : The War on Gold before purchasing it in order to gage whether or not it would be worth my time, and all praised The War on Gold:

1 of 1 people found the following review helpful. Five StarsBy Vulcan GunnerAnother great book by Mr. Antony Sutton. Explains the history of gold and the powers that hate it.1 of 1 people found the following review helpful. Five StarsBy IckeFantastic!3 of 4 people found the following review helpful. Five StarsBy CustomerMr Sutton was brilliant! If you would like to take the red pill, read all his books!

The War on Gold is a definitive study of the past, present, and future of the metal that Keynesian economists and

political schemers have denounced as a barbarous relic. The war on gold began several centuries ago, when politicians discovered they could print limitless amounts of paper currency for a small fraction of the cost of using gold as money.

It has accelerated in recent years...as the U.S. acquired paper debt, deficits, which led to double-dip inflation, and internationalists plotted to create a new world order.
