The Winchester Handbook

George Madis : The Winchester Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised The Winchester Handbook:

1 of 1 people found the following review helpful. Valuable if purchasing old WinchestersBy James W LeeI have been interested in and purchasing old Winchester firearms for about 3 years now.This book is a great asset when looking at a possible purchase.Lots of info and easy to look up what you are interested in.Worth the money if you are making purchases and want to insure what you are getting.0 of 0 people found the following review helpful. Just THE facts !!By EdmondGreat Book if you are into old Winchester lever rifles this works.0 of 0 people found the following review helpful. Five StarsBy CustomerGreat book!

This book gives comprehensive coverage on all Winchester models from 1849 with details on all variations of interest to collectors and dealers. Over 600 clear concise photographs, details of all models, sights, calibers, stocks, and special guns. Here you will find information that is not available from any other source including serial numbers of all 1 of 1,000 Winchesters. Included is all information on all collectors' guns and complete coverage of: Markings, Sights, Special Orders, Dates, Engraving, Barrels, Years of Production, Variations, Stocks, Calibers.
