Threads of Identity: Embroidery and Adornment

Judy Frater : Threads of Identity: Embroidery and Adornment before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Threads of Identity: Embroidery and Adornment*:

0 of 0 people found the following review helpful. *Threads of Identity* Is wonderfulBy PTo me this, this book is wonderful. I've been a needle worker for many years and love the Ribari shisha mirror embroidery. I love reading the journeys the writer wrote about and finding about the people and the patterns of embroidery meanings. This book was a treasure trove of knowledge for me.1 of 1 people found the following review helpful. *Threads of Identity*..a good book.By Patricia MonacoA very good book regarding Rabari Indian embroideries. Its very well researched book by a renowned scholar. It is well worth a read.12 of 14 people found the following review helpful. Sensitive beautiful work of the hands of Rabari womenBy A CustomerEngaging book, sensitive to the art and traditions of the Rabari women, intelligently and intimately written. Of a very large library on textile art forms, this is one book I return to over and over. I hesitated at the price, but now feel it is worth it.

This study of the embroideries and dress of the Rabaris of Western India synthesises folk art and culture history and anthropology.
