Tiffany Silver

Charles H. Carpenter Jr., Mary Grace Carpenter : Tiffany Silver before purchasing it in order to gage whether or not it would be worth my time, and all praised Tiffany Silver:

6 of 6 people found the following review helpful. Nice book, but.....By J. CameronNice book, but I have the older version and thought this new edition would have more info. I was wrong. With the exception of the introduction, the text and illustrations are identical to the older version. Why is it important to point this out? Because the older version can be obtained for a lot less money that this current edition.1 of 1 people found the following review helpful. Tiffany

SilverBy Mr. Gus DavisA must have for anyone interested in Tiffany Silver. This book offers detailed listings of patterns made by Tiffany as well as a date line reference.0 of 1 people found the following review helpful. good book for basic ttiffany informationBy MaryWell, it does give the historical significance of Tiffany Markings... which is very helpful... I was hoping it would have provided more information on my family's Tiffany pieces.

lustrated, some in color. Revision of 1978 edition. Black cloth in dust jacket. As new.
