Timeless Wire Weaving: The Complete Course

Lisa Barth : Timeless Wire Weaving: The Complete Course before purchasing it in order to gage whether or not it would be worth my time, and all praised Timeless Wire Weaving: The Complete Course:

Timeless Wire Weaving focuses on developing wirework skills through 13 projects using three classic wire weaving techniques: coiling, wrapping, and weaving. The projects are built around a focal cabochon and incorporate seed beads and crystals in imaginative ways. Designers learn to make the jewelry shown in the book, and they also use the techniques learned to create innovative jewelry pieces of their own.
