A. G. Smith : Traditional Boats from Around the World (Dover Pictorial Archive Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditional Boats from Around the World (Dover Pictorial Archive Series):

This unique coloring book offers 44 carefully researched and accurately rendered illustrations depicting the many and varied forms of traditional boats used around the world. Ready-to-color representations include a Welsh coracle, a Grand Banks dory, an Arab dhow, a Thames sailing barge, a Portuguese frigata, an inflated-skin boat of Pakistan, and

many others. Each craft is shown against an appropriate backdrop, and brief captions accompany the detailed illustrations. 44 black-and-white illus.
