These are well-researched and colorful and bright. They are such a pleasure to look at and cut out. I also feel like I learned a lot about Indian dress! I LOVE paper dolls have been collecting the Dover dolls for many yearsBy Potluck QueenHigh quality paper dolls. The paper l dolls are a really wonderful way to help kids really visualize history different cultures.I have made permanent paper doll stands from railings available from places like Home Depot or Lowes). If you have access to a table saw you can cut a groove into the top of the rounded part of the railing. I have found that 2" to 2-1/2" in length is good. Stain varnish if you like.

These really help to keep the dolls standing up makes actual play more fun for children.

2 dolls, accompanied by 16 authentic costumes, can be dressed in brilliantly ornamented costumes of classical dancers, gracefully draped saris in the Assam and Bengali styles, or a wedding sari from the Punjab region, plus brightly colored prints from Rajasthan, Gujarat, Bihar, and other regions.
