Treasure Islands: Your Guide to Buying and Safely Selling Gold Silver in the Philippines

David R. Newby : Treasure Islands: Your Guide to Buying and Safely Selling Gold Silver in the Philippines
before purchasing it in order to gage whether or not it would be worth my time, and all praised Treasure Islands: Your Guide to Buying and Safely Selling Gold Silver in the Philippines:

2 of 2 people found the following review helpful. A first step for pinoy investorsBy Rainbow48The book contents several useful information for individuals, which have no experience in protecting their deposits/assets in the way of

precious metals. So the content is for sure a first step for more skills in this investment form. Some additional offered informations in this book (value of those would be "xy" Dollars) would be nice, together with working links to find such informations (updated ones). But just to offer instead e-mail links for such a requirement, this is not trustworthy enough for a first contact. If you search in youtube after the authors name, you can hear already more about his company in Misamis Oriental ("CDO Gold"). So the content of this book is for sure a first step for more information. What I am missing inside the book and as well on the website of pinoygold dot com, is their very concrete business address in CDO city. Mr. Newby is praising the reliability of his business. I dont challenge this ... but: Mr. Newby, where is your visitor center, your office, your customer room in the city of golden friendship? Such checkable info would give more faith to most of your interested customers and book readers. 0 of 0 people found the following review helpful. Treasure Islands Review By Daniel M Treasure Islands by David Newby is a very informative book concerning gold and silver. It has information in it that helped me understand the inside view of how to buy and trade these commodities. David is very clear on how to increase your ability to enrich your opportunities to keep and increase your wealth. I recommend everyone reading this book to have a clearer picture of purchasing Gold and Silver in the Philippine Islands. 0 of 0 people found the following review helpful. Five Stars By Gary Norman Excellent information about gold, silver, etc.
