Four StarsBy babsgreVery helpful tool for studying Twill weave.0 of 0 people found the following review helpful. Five StarsBy NCoffeyBeautiful book with lots of illustrations and instructions. I can't wait to try some out.

From basic techniques to sophisticated designs, this is an indispensible book for anyone who enjoys the glorious variations of twills. It is filled with sumptuous photographs to inspire your creativity, and hundreds of how-to illustrations to guide your fingers in creating a myriad of baskets featuring twill.
