Ultimate Collector's Encyclopedia of Cookie Jars, Identification Values

Fred Roerig, Joyce Roerig : Ultimate Collector's Encyclopedia of Cookie Jars, Identification Values before purchasing it in order to gage whether or not it would be worth my time, and all praised Ultimate Collector's Encyclopedia of Cookie Jars, Identification Values:

4 of 4 people found the following review helpful. Great info on cookie jarsBy Jodi WeigandThis book has beautiful color pictures of the cookie jars that it lists. It is an easy to use book, that lists the cookie jars under the makers. If you do not know the maker, it is not so big you can't look thru the book. It does not have every cookie jar in it, but is a very complete book. It gives good values. It is a very easy read if you are just starting to collect, but is complete enough for the seasoned collector to use. It's more user friendly than a regular antique book. I would highly recommend this book as a great reference for collecting.2 of 2 people found the following review helpful. ComparedBy James ThreetFor an

Encyclopedia of cookie Jars I found it to be rather limiting especially since I've seen an earlier version that was much more detailed
1 of 1 people found the following review helpful. Great Book for Cookie Jar Collectors
By Julia Clay
A very comprehensive book for cookie jar collectors, much helpful information and nice color photographs.

Collectors everywhere know that cookie jars, both old and new, are among the hottest items sought after today and are bringing top dollar at antique shops, flea markets, and on eBay. With this in mind and due to the tremendous success of their three-volume series, Collector's Encyclopedia of Cookie Jars, Fred and Joyce Roerig were prompted to produce The Ultimate Collector's Encyclopedia of Cookie Jars. This book is an overview of their first three volumes, now out of print, with exciting new finds and additions. As age does not determine collectibility, some current jars have been added. This information enhances that of the tried and true jars of old. More than 1,200 photographs are included in this deluxe volume. Companies featured include Brayton Laguna, Brush-McCoy, Disney, Metlox, Shawnee, Treasure Craft, McCoy, Twin Winton, and many more. Informative text, current values, color photographs, and a handy index make this a great buy for cookie jar collectors everywhere.

I found a pure pleasure to peruse for weeks. It displays, in some of the finest photography of all the cookie jar books, many of the cookie jar classics. Along with smile fetching standbys (ABC Coffee Pot, McCoy Cookie Cabin, Twin Winton Sheriff Bear, etc.) are a feast of the best jars from the best producers...-Cam Curtis
About the Author
Fred Roerig and wife Joyce have collected cookie jars for years. They published a three-volume set of books, Collector's Encyclopedia of Cookie Jars, Book I, II, and III.
