Great ChecklistBy Jeff DygolaThis is an excellent DC figures and toys CHECKLIST. It is not a catalogue or a picture encyclopedia. There are not pictures of every item. Just occasional pictures to show packaging styles. If just a checklist is what you are after this is terrific.0 of 0 people found the following review helpful. Five StarsBy BAC1862Really informative book

The Ultimate and only checklist format book for collectors of all things DC Comics (TM) from the 1940s to present. Includes Action Figures (including variants), Statues, Toys, Plates, Glasses, Food Premiums, Hero Clix, Model Kits, Die Cast Cars, Lunch Boxes, Board Games, Role Play Games, Trading Cards, promotional pins and rings, Books, plus

much more! The three column checklist format organized by type of collectible and series finally offers every collector the ability to keep track of their collection. You can even carry it in the field to conventions, flea markets and yard sales as a reference manual. Graphic headers help identify different toy series visually. Even if you just collect action figures, you'll find this to be the most complete and most usable list you'll find ANYWHERE. But if you collect other DC stuff...anything else, you'll marvel (sorry for the word play) over this as the best resource guide you've ever seen. Most of all, inside this guide you will find stuff you never knew even existed...and probably start collecting even more stuff. Sorry, we cannot be responsible for how you spend your income after you buy this book! This volume is the result of years of research and cross-referencing auctions, sales lists, and a variety of existing checklists. Over 180 pages long with some items displayed as photos. Amazing and long overdue! From White Lightning Publishing.
