Varmint and Small Game Rifles and Cartridges, Revised and Expanded Edition

Wolfe Publishing : Varmint and Small Game Rifles and Cartridges, Revised and Expanded Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Varmint and Small Game Rifles and Cartridges, Revised and Expanded Edition:

1 of 1 people found the following review helpful. Five Stars
By Customer
Great compilation of articles from experts in the field. Great reading
1 of 2 people found the following review helpful. A good book. Exactly the right data and information I ...
By Gunfighter
A good book. Exactly the right data and information I was looking for in an obsolete cartridge. I got a great deal because I bought it used and it was in perfect condition...

A large format book with loads, commentary and resources for the less than .40 caliber family. Wootters, Hagel, Simpson, Carmichel, Venturino and others cover the sport from .17 to .32-40. Table of Contents Chapter 1 Reading the
