Vessel - Sculpture 2: German and International Ceramics Since 1946 (English and German Edition)

From Arnoldsche Verlagsanstalt : Vessel - Sculpture 2: German and International Ceramics Since 1946 (English and German Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vessel - Sculpture 2: German and International Ceramics Since 1946 (English and German Edition):

A lavishly illustrated overview of developments and trends especially in German in studio pottery since the mid-20th century.

About the AuthorDr Olaf Thormann has been, since1993, deputy director/head of the academic area of the GRASSI Museum of Applied Art Leipzig.
