Victoria Gray Unfolded: The Speaking Linens

Victoria Gray : Victoria Gray Unfolded: The Speaking Linens before purchasing it in order to gage whether or not it would be worth my time, and all praised Victoria Gray Unfolded: The Speaking Linens:

Victoria Gray Unfolded is a compilation of designs created by the author, which were created for numerous historical fashion shows in Missouri and Illinois to date. Within these pages stories of hankies, linens, drapes, laces and trims emerge into beautiful historic designs. You won't believe how a simple hankie began it all!
