Victorian Women's Fashion Photos CD-ROM and Book (Dover Electronic Clip Art)

Dover : Victorian Women's Fashion Photos CD-ROM and Book (Dover Electronic Clip Art) before purchasing it in order to gage whether or not it would be worth my time, and all praised Victorian Women's Fashion Photos CD-ROM and Book (Dover Electronic Clip Art):

Duck To my disappointment, I found that I already had most of these photos in another Dover publication (the same is true of the similar Old-Fashioned Children's Photos book.) There MAY be a few new photos, but most of them are already published. If you already have a collection of Dover historical fashion books, you may already have these. I'm planning to send my copy of this book back....I don't need to pay this much for photos that I already have. 0 of 0 people found the following review helpful. Nice photos By The Arkenstone I was looking for some pictures to use with my

genealogy. I really would have preferred that they had been labelled with the date instead of just a number. The pictures were nice. 0 of 1 people found the following review helpful. Victorian dress By Nonna Donna The photos are great. Each photo has a number but I wish there was an appendix telling what the numbers indicate. Perhaps there is one on the disc but I haven't looked at it yet. Even if it is on the disc it would have been helpful to have one in the book itself.
