A must have for all Wade Collectors.0 of 0 people found the following review helpful. wade collectingBy Mr. G. Bathgatethis book is great for all those who love collecting small items illistations are fantastic a great book for any one wishing to collect wade items this item should be at the top of

list of research material for every collector

Advertising items, animal, bird and human figurines, as well as commemorative and commissioned wares, are all covered in this eagerly anticipated third edition. More than 344 pages of illustrations and information on sizes, colourways, issue dates, backstamps and prices make this catalogue indispensable to anyone interested in Wade potteries.
