Warfare in the Roman Empire and the Middle Ages

Hoffman Nickerson : Warfare in the Roman Empire and the Middle Ages before purchasing it in order to gage whether or not it would be worth my time, and all praised Warfare in the Roman Empire and the Middle Ages:

Comprehensive study of armed conflict, based on contemporary accounts and accompanied by illustrations and maps from rare sources, vividly describes dramatic changes in the art of war over 1,500 years from Roman rule through 565 AD, to war tactics during the Crusades. Fighting methods, supply systems, tactical organization, and more. 15 black-and-white illustrations.
