Fun trip down memory laneBy ChrisSo many memories and toys that were actually in my family,a few still around.Brought back so many thoughts of days gone by.That is when toys were made well, and so creative,it covers many years of all kinds of toys for boys and girls.Wish they were all still around. My friends have enjoyed looking at it this book also,but I don't lend it out.0 of 0 people found the following review helpful. toy bookBy Sam's girlWalk down memory lane seeing these images. I still want some of those toys to try!0 of 0 people found the following review helpful. Great book!By LindsayThis book is packed with information on toys of the 40s, 50s and 60s. It would be great for any toy collector. I purchased it to add to my school library collection for my 6th graders, who I am planning a research project on toys for. Great book!

The kids of the 1960s are the collectors of today, and their toys are among the hottest items in the collecting world.
