Farm toysBy VeteranVery helpful to identify and establish value of farm toys. Wish it was more detailed and covered more toys. I would be glad to pay more for a book with more info.2 of 2 people found the following review helpful. Why?By R.L.F.Borderline useless.Waste of money.Heavily biased toward John Deere.The important Case models are ignored completely.Even for what is advertised as a book that cannot be all,to all;it falls short of expectations.Regarding the price at ,Overstock is cheaper.And lower shipping to boot.My mistake,twice.

Whether it's John Deere, International Harvester or AGCO, "Warman's Farm Toys Field Guide" satisfies collectors' need for reliable details, in a portable format. This brilliantly illustrated guide delivers more than 500 color photos of powerful machines in small-scale splendor. Inside this toy show companion collectors will discover: collector values for farm toys made in the early 1900s through the 1990s which make buying and selling in the 5,000+ active online

auctions easier; detailed and concise listings provide quick and accurate identification; and reliable expert information based on the successful big book, "Standard Catalog of Farm Toys, 2nd Edition", with nearly \$100,000 in sales. This book is a smart investment for fans of farm toys and experienced collectors and an affordable gift to display along with your favorite farm toys.
