I think most would be pleased with the purchase of this book. I am very satisfied.

Thirty-plus years of pyrotechnics and psycho-circus showmanship have created a wild and devoted population of KISS fans. In Warman's' style, this handy and spectacularly illustrated book gives members of the KISS Army a resource as devoted as they are. Collectors will find a list of every U.S. KISS recording, including background and

pricing, plus more than 400 color photos! Production details and values for thousands of licensed KISS collectibles including action figures, Beanies, costumes, die-cast cars, posters and much more is also featured! As one of the leading collectibles on the market, behind the Beatles and Elvis, this must-have reference captures the raging hysteria of KISS like nothing else. -400 color photos show details of favorite collectibles -Contains band and recording history to give collectors a glimpse behind the make up -Affordable and portable size makes it a perfect gift
