Warman's Political Collectibles: Identification and Price Guide (Warmans)

Dr Enoch L Nappen : Warman's Political Collectibles: Identification and Price Guide (Warmans) before purchasing it in order to gage whether or not it would be worth my time, and all praised Warman's Political Collectibles: Identification and Price Guide (Warmans):

1 of 1 people found the following review helpful. Seminal WorkBy NaiStaffWhat can I say, Dr. Nappen's "Political Collectibles" wins "The Oscar." It is the seminalguide and encyclopedia of years and years of political artifacts. The book itself is a collector's item. Every social studies teacher should have it in their class. It is a magic wand that conjures interest from all ages.1 of 2 people found the following review helpful. Very well illustrated.By golfleoVery pleased.0 of 1 people found the following review helpful. ... political buttons and this price guide will be a great help on evaluatingBy CustomerI have approximately 800 political buttons and this price guide will be a great help on

evaluating them

Today, collecting campaign memorabilia is much more involved than election buttons; although buttons remain a top contender. Inside this thoroughly illustrated color price guide and identification reference, you will discover history about the tools used in political jostling of the past, including local, state and presidential races. Among the collectible items you'll find are: buttons, bumper stickers, posters, letters, magazines, invitations, coins, yard signs, flashers, medals, photos and more.
