Alan Herbert : Warman's U.S. Coin Collecting before purchasing it in order to gage whether or not it would be worth my time, and all praised Warman's U.S. Coin Collecting:

6 of 6 people found the following review helpful. No prices, but a great intro to coin collecting. By Ed Pegg Jr A whole slew of free books just got released about coin, stamp, and currency collecting, and they are all quite good. Warman's U.S. Stamps Field Guide Has collecting info and prices for US Stamps Warman's U.S. Coin Collecting Purely about collecting, no prices Warman's U.S. Coins Currency Field Guide Coin prices, and a small amount of collection info Warman's Companion U.S. Coins Currency Mostly price listings. All four books are well-illustrated, and the

extensive tables are all done well. There are many items in these books that are often botched in a Kindle conversion, but all four of these books are done well. This particular book is all about collecting coins. No prices are listed. 0 of 0 people found the following review helpful. Four Stars By DottieGift. 0 of 0 people found the following review helpful. Great US Coin Collection Book By A. Orr Great guide to collecting US Coins. Works hand-in-hand with the Warman Coin Collecting Folders. Good background information on how to get started, how to handle coins, etc. Excellent resource for the beginning collector.
